We can save you more than money!

Work with a Team of Seasoned Professionals:

As an Insurance Agent / Business Owner here in Nicholasville and Chamber member since 2005 David understands local concerns, trends, and has been here with you for years. With a unique ability he can communicate equally with anyone from the **President of the Company** to a **dockworker** with the same easy to understand language. David has now assembled the **Best Team** to be found, to help his fellow businessmen, as well as the members of the community that work for them.

I know many local families. My knowledge and understanding of the people in this community help me provide customers with an outstanding level of service. I look forward to helping families like yours protect the things that are important – our family, home, care, business and more.

As a Insurance Specialist Star can make packages that would give your employees better protection. While saving you time and money. After many years of experience, Star put together a team of talented individuals who can make the whole range of benefits available to anyone. Star & Company has been helping employees nationwide customize their insurance benefits now for about 25 years.

As a Financial Services Specialist Kevin is the **Top Rated** Financial specialist in our 5 state region. Member of the **Million Dollar Round Table**, his knowledge and experience make him an asset to anyone. As a Personal Financial Representative, I look forward to helping you prepare a strategy to achieve your financial goals. From your child's education to your retirement, I can assist you with financial products that can help you build your financial future. I'm proud to work with a financially sound and stable company like Allstate. They've been protecting families and their assets for over 70 years.
